

Compliance & Product Responsibility

Our Commitment

FARMA S.r.l. is committed to ensuring that its products and materials comply with applicable international regulations related to:

- product safety
- hazardous substances
- environmental protection
- responsible supply chain management

We continuously monitor regulatory developments and work closely with our suppliers and partners to ensure full compliance.

Regulatory Compliance

Our products are designed and supplied in accordance with key international regulations, including:

- **REACH** (Regulation (EC) No. 1907/2006)
- **RoHS** (Directive 2011/65/EU and 2015/863/EU)
- **Conflict Minerals** (Regulation (EU) 2017/821)
- **ELV** (Directive 2000/53/EC)
- **POPs** (Regulation (EU) 2019/1021)
- **TSCA** (USA)
- **California Proposition 65**
- **PFAS restrictions** (emerging regulations)
- **EUDR** (EU Deforestation Regulation)

We also comply with applicable international sanctions and trade restrictions.

Responsible Supply Chain

We actively collaborate with our suppliers to ensure transparency and compliance throughout the supply chain.

Our approach includes:

- collection of supplier compliance declarations
- monitoring of restricted substances (e.g. SVHC under REACH)
- verification of Safety Data Sheets (SDS)
- use of supplier qualification and monitoring processes

We require our suppliers to adhere to the same standards of compliance, integrity and sustainability.

Conflict Minerals

FARMA S.r.l. supports responsible sourcing practices and works to ensure that materials containing tin, tantalum, tungsten and gold (3TG) are not sourced from conflict-affected or high-risk areas.

Continuous Improvement

We are committed to continuously improving our processes and ensuring alignment with:

- regulatory updates
- customer requirements
- industry best practices
